

Bath Robe Blankets!

\$2.25 to \$5.00.

The Beacon Bath Robe Blanket is no accident—it didn't "just happen"—it's the result of much study, careful experiment and the employment of the most modern machinery and methods. The Beacon Bath Robe Blankets is sanitary—does not retain dust or germs. It is warmer than wool, being more closely woven. It can be readily washed and does not shrink. Being made of cotton they are not subject to the destruction wrought by moths. They are delightfully soft and fluffy in finish—finer than the finest wool, and last, but not least—they may be purchased for about half the price of a wool blanket. They come in an elegant assortment of soft shades and pretty patterns; size 72x90—ample for any size robe. Prices range from \$2.25 in all-cotton to \$5.00 in all wool.

Best for the money only is good enough for us.

"The Choir Singer."

An announcement of more than usual interest to local lovers of good comedy drama in which a number of popular songs are effectively introduced is made by the management who have arranged for the presentation of "The Choir Singer," one of the present season's greatest successes, which will be seen here for one night and matinee on next Monday, September 2nd.
Both in matter of quality and, so far as the scenic equipment which is elaborate, an entire car load of scenery being used in this production, in the matter of quantity "The Choir Singer" far exceeds its contemporaries and for this reason can be presented properly on none but large stages where every facility for its production can be found. A large company of well-known players has been engaged by Manager W. E. Nankerville, and every accessory is declared to be first class in every respect.
Notice.
Users of city water are hereby cautioned not to use hose except between the hours of 4 and 8 a. m. and 6 and 7 p. m., as the supply in the reservoir is getting low.
